

Laboratory Analysers Australia staff had some spare time recently and cleaned out the warehouse finding the following items which are a product range we no longer represent and support, so are offering to clients at a generous discount.

Two Claisse “The Ant”s Demonstration units

Claisse TheAnt™ automatically weighs the sample and dispenses the flux precisely, with an accuracy of up to one-tenth of a milligram. We have two units both in very good condition. Inspections welcome. ~~\$ 20,000.00 each or take both for \$30,000.00.~~ **\$15,000 / \$20,000**
